

Wisconsin Department of Veterans Affairs

Tony Evers, Governor | Mary M. Kolar, Secretary

December 30, 2022

Dear Union Grove Members, Friends, and Family:

From all of us at Union Grove, we hope you've had a wonderful holiday season. We would also like to remind you that when you visit with members, please do your part to lower your potential exposure to COVID and other seasonal illnesses when you come to our Home.

Since we updated you last on December 15, we have had 1 employee test positive for COVID-19. Accounting for all recent recoveries, currently we have 1 case of COVID-19 on campus (0 members, 1 employee).

We are proactively following all CDC and Wisconsin Department of Health Services (DHS) protocols to lower the spread among members, staff, and visitors. Our commitment to the health and well-being of our members always remains our top priority.

Colder weather brings the inevitable coughs, sore throats, and sniffles. Please be aware that these symptoms could potentially be the result of COVID-19. We ask if you feel sick, please stay home until you can take a COVID test, and you fully recover from your symptoms.

We highly encourage everyone to get their flu shot, an updated COVID-19 booster, and take additional steps to protect themselves and others this season as cases of respiratory illness are on the rise nationwide. Please visit the DHS webpage to find a vaccine and booster location near you (<https://www.dhs.wisconsin.gov/covid-19/vaccine-get.htm>).

Thank you for your continued commitment and support of our Home.

Sincerely,

Kimberly Storlie
